Mr. L. K. White
Deputy Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. White:

Thank you for your letter of 26 July 1956 in which you express appreciation of the assistance rendered to your Agency by Captain Allan S. Chrisman and Lieutenant Commander Robert O. Peckinpaugh during their tours of duty in the Personnel Division of the Bureau of Medicine and Surgery.

We certainly share your high opinion of Doctors Chrisman and Peckinpaugh, and we sincerely regret having to lose their services in the Bureau. However, they are both on their way to what I am sure will be rewarding assignments.

It is always gratifying to learn firsthand of the performance of individuals in the Medical Department of the Navy, and I will see that copies of your letter are placed in their records in the Bureau of Naval Personnel.

Sincerely yours,

B. W. HOGAN
Rear Admiral, MC
Surgeon General, U.S. Navy
